

Anniversaries are always exciting. But, when you consider the current mile marker Southwestern Middle School is celebrating it has to be exceptionally exciting. I sincerely wish I were there to share it with you. What an accomplishment! Over the years there have been lots of changes, but Southwestern Middle has always maintained the golden attitude of putting your students first by meeting their needs academically and socially.

I really appreciate the opportunities that were given me to have a part in your history. It was a truly a blessing to my life. I often think of each of you in the administrative and instructive roles that you played while I was there. I am proud to have been able to be a part of the history of Southwestern Middle School. I wish for all you a truly wonderful celebration of this event.
