The Family of **Southwestern Middle School** invites you to be a part in creating the **Story of Southwestern**. The finished product will be an on-line remembrance of your teachers, administrators, staff or an individual connected to Southwestern, in stories and pictures.

Did you go to, teach, work or parent a student at **Southwestern High School**(1962-1969)*, **Southwestern 7th Grade Center**(1969-1988) or **Southwestern Middle School**(1988-present). Join us on Saturday the 28th of January, 2012, almost 50 years from the day the doors of Southwestern High School opened, for bar-b-que, old friends, and videos of old yearbooks. It is all free in exchange for your story. We would like a story or remembrance of an individual or an event from your time here. We are going to compile these stories into an on-line remembrance site. Use the space below or any other format of your choosing. Check the local papers for more information, check your local church for more forms and tell your friends. These forms will also be available on-line or at Southwestern Middle School. If writing your story in a word document would be easier, you can e-mail your story to southwesternmshistory@gmail.com and we will have your name on the list for Jan. 28th.
